

## CV of SHAKAWAT HOSSAIN

### PROFILE

---

I have extensive experience, logical mind with a practical approach to problem solving and a drive to see things through to completion. I have a great vision for detail, eager to learn new policies, enjoy overcoming challenges and I have a deep interest about learning which I was carrying from my academic background SOCIOLOGY. Now I am searching a role as a trainee which I shall enjoy most. Seeking to move in a post as a part of my job where I can contribute and learn new exciting things.
